

**Historic Taft District
Greetings from the Historic Taft District
“Where the Bay meets the Surf on SW 51st”**

Thank you for your interest in our ‘Adopt a Flower Pole’ Program. Please mark the appropriate boxes and we will let you know which locations are currently available for your “adoptee”.

- We wish to adopt _____ flower pole(s)
- We wish to sponsor our flower pole for 1 2 3 years (circle one)
- We do not wish to adopt a flower pole at this time but do want to participate in the Taft Beautification Project in some other manner.

The annual cost of each flower pole is \$225.00 per year. This fee includes installation, watering and general upkeep, including removal at the end of the season. A plaque, advertising your business or loved one, will be placed on the pole. You will be recognized for supporting Historic Taft’s beautification program on our website: www.taftbeach.com.
