

B A M A

Bay Area Merchants Association

www.taftbeach.com

Serving the Historic Taft, Nelscott & Cutler City Districts of Lincoln City

The Bay Area Merchants Association (BAMA) promotes activities celebrating the historic Siletz Bay area, encouraging economic prosperity by promoting tourism and preserving the unique character of Taft Cutler City and Nelscott. The annual Sandcastle Competition, Miracle on 51st St. and other sponsored events insure that both visitors and local residents will treasure our unique area for years to come.

BAMA meets every Wednesday at the Historic Anchor Inn. Your support is critical to keeping our organization serving the needs of yours and other local businesses. This support comes not only in your active participation in BAMA events, but also in the form of the nominal annual membership dues. **Annual dues are \$65.00 for business and \$25.00 for individuals.** Your paid membership gives you a site on the BAMA web-site www.Taftbeach.com. Be sure to check this out for more information about what is happening in our area.

We are currently updating our membership list for the year. **Please take a moment to detach the bottom of this page and send in the appropriate amount for your membership to the above address.** Your prompt response will help us keep your business in touch with other local businesses and promote a successful Historic Taft - Nelscott - Cutler City District.

If you would like to adopt a hanging basket of flowers in the Taft area, the annual basket fee is \$280.00. That inclusive fee covers installation, watering and removal at the end of the season. A plaque with your business name will appear on the pole.

Thank you for your prompt attention. We look forward to hearing from you soon. Please return the application to BAMA, c/o Ed Kuntz, P. O. Box 1119, Lincoln City, OR 97367

Sincerely,
Alex Ward
President
